

Muresconu N

Name of vine variety in France

Muresconu

Origin

This vine variety is found in Corsica and has been identified, based on ampelographic and genetic studies carried out in Montpellier, is a vine variety from Sardinia called Nieddu Mannu N.

Synonymy

In France, this vine variety can be called "Morescono N" for plant propagation material. In Italy, Muresconu N can officially be called by the name "Nieddu Mannu N".

Regulations

In France, Muresconu N is officially listed in the "Catalogue of vine varieties".

This variety is likewise listed in the Catalogue of Italy.

Use

Wine vine variety

Description

Identification signs include:

- the tip of the young shoot has a dense coat of flat-lying hairs,
- young leaves are green,
- adult leaves are very large, orbicular or wedge-shaped, 5 or 7 lobes with a closed petiolar sinus with very overlapping lobes; deep lateral sinuses, long teeth with straight sides; an absence of anthocyanin coloration of veins, a jagged and bubbled leaf blade and the underside with a sparse to moderate coat of flat-lying hairs,
- round-shaped berries.

Genetic profile

Microsatellite	VVS2	VVMD5	VVMD7	VVMD27	VRZAG62	VRZAG79	VVMD25	VVMD28	VVMD32
Allel 1	131	223	239	176	188	258	240	227	261
Allel 2	143	232	249	191	188	262	240	257	271

Phenology

Bud burst: 9 days after Chasselas. Grape maturity: period II, 3 and 1/2 weeks after Chasselas.

Suitability for cultivation and agronomic production

Muresconu N is very vigorous and productive and grows semi-erect. It must be short-pruned.

Sensitivity to diseases and pests

Muresconu N is fairly susceptible to grey rot and moderately susceptible to powdery mildew and acid rot.

Technological potential

Grape clusters and very large and the berries are large. Muresconu N produces ordinary quality, not very colored and low acidity wine.

Clonal selection in France

The only approved Muresconu N clone carries the number 1100. It is derived from surveys carried out in vineyards in Corsica. A conservatory with 20 clones was set up in vineyards in Corsica in 2005.
